

Friday 16th March

Dear Parents,

We are hosting our first ever Inter-House Egg Design competition this term.

Each child can design their own egg, hard boiled, hollowed or fresh from the chicken. They can design a scene for the egg with more than one egg in the set.

A couple of ideas could be Albert Eggstien, Pokeggmon, Eggmojjios.

There will be a winner from each class then these are selected to represent their house for a whole school competition.

Each entry wins three House points for their House and then an extra five if a class winner. The overall whole school winners receives 50 house points, 2nd place 30 and 20 for 3rd place.

Entries are due in on Monday 26th and the winners will be announced shortly after.

Kind regards,

Miss Mitchell
