1 Health & Safety Policy Statement

- 1.1 This is the Health and Safety Policy Statement of Sancton Wood School
- 1.2 The Company (Dukes Education Ltd) applies high standards in the management and control of all operations, to include matters of health and safety. These are designed to ensure that staff, pupils and those who visit the Schools or may otherwise be affected by the Schools' operation are safe.
- 1.3 This Health and Safety Policy applies to all staff (including employees, fixed-term, part-time, temporary and voluntary staff, helpers and visitors at the Schools)
- 1.4 Our statement of general policy is:
 - to provide adequate control of the health and safety risks arising from our work activities
 - to consult with our employees, pupils and anyone else affected on matters affecting their health and safety
 - to provide and maintain safe plant and equipment
 - to ensure safe handling and use of substances; to ensure we have access to one or more competent persons (persons with sufficient knowledge, training and experience) to assist us in complying with our health and safety obligations
 - to provide information, instruction and supervision to employees
 - to ensure all employees are competent to do their tasks, and to give them adequate training
 - to prevent accidents and cases of work-related ill-health
 - to maintain safe and healthy working conditions
 - to review and revise this policy as necessary at regular intervals
 - to ensure that adequate resources are available for the management of health and safety issues.
- 1.5 A copy of this Policy can be made available in large print or other accessible format upon request.
- 1.6 Full details of all policies and procedures can be found on the School's website and in the Health and Safety section of the staff handbook.
- 1.7 Any references to legislation in this Policy include any subsequent amendments to that legislation.

2 Linked Policies

- 2.1 This policy should be read in conjunction with the School policies and procedures covering the following matters:
- EYFS health and hygiene
 - Food allergens and intolerances
 - educational visits
 - legionnaire
 - first aid and the administration of medicines
 - supervision
 - promoting good behaviour and anti-bullying
 - SEND
 - Accessibility

3 Responsibilities

- 3.1 As employer, the Company has overall responsibility for health and safety at the Schools and those involved in the Schools' operation. It is committed to improving health and safety.
- 3.2 Responsibility for health and safety matters at School level is delegated to the Head and responsibility for health and safety matters affecting the non-academic staff to the Operations Management.
- 3.3 This Policy relates to health and safety whilst on School premises. The separate policy on educational visits relates to health and safety issues relating to off-site visits.
- 3.4 Employees also have legal responsibilities to take care of the health and safety of themselves and others, and to co-operate with their employer in order to comply with the law.
- 3.5 All employees must:
- co-operate with supervisors and managers on health and safety matters;
 - not interfere with anything provided to safeguard their health and safety;
 - take reasonable care of their own health and safety;
 - report all health and safety concerns to an appropriate person (as detailed in this Policy).
- 3.6 All pupils and visitors must:
- co-operate with the Company and the Schools on health and safety matters and in particular follow the instructions of staff in the event of an emergency;
 - take reasonable care for their own health and safety and that of others at the School;
 - observe standards of dress consistent with safety and / or hygiene;

- use and not wilfully misuse, neglect or interfere with anything provided to safeguard their health and safety;
- report all health and safety concerns to the Head of School or Site Manager.

4 Risk Assessment

- 4.1 The Company will undertake an examination of its activities at the School to identify hazards (anything with the potential to cause harm to persons or property) and measure and evaluate risks (the likelihood of harm caused by the hazards) to employees, pupils and others who may be affected by the Schools' operation. This will be undertaken by the conduct of appropriate risk assessments which should identify, prioritise and implement control measures necessary to reduce the risk to the level required by law.
- 4.2 Particular risk assessments will be conducted for new and / or expectant mothers, employees aged under-18 and night workers (covered by the Lone Workers policy)
- 4.3 Specific risk assessments will also be undertaken to deal with matters including personal protective equipment, display screen equipment, manual handling operations, substances hazardous to health, noise at work, lead at work, asbestos at work, ionising radiation and fire safety.
- 4.4 Specific risk assessments will also be conducted for use of high-risk areas, such as gymnasias, machinery, laboratories and workshops.
- 4.5 Risk assessments are the overall responsibility of the Bursar who will delegate their performance to staff members.
- 4.6 Action required to remove / control risks will be approved by:

The Site Manager who will be responsible for ensuring the action required is implemented.
- 4.7 Risk assessments will be reviewed on a regular basis or when the activity changes, whichever is soonest.
- 4.8 Further guidance on risk assessment can be found in the guidance.

5 Consultation with Employees

- 5.1 The Company will consult with employees either directly or through their elected representative(s) Under no circumstances should a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.
- 5.2 Representatives will be provided with sufficient information to enable them to participate fully in the consultation process.

Sancton Wood School

- 5.3 Employee representative(s) are:
The Principal
The Operations Manager
Site Manager
Heads of, Prep and Upper
- 5.4 The representatives will be appointed to the School's health and safety committee.
- 5.5 The Company will also consult with pupils, where appropriate.

6 Information, Instruction & Supervision

- 6.1 The Health and Safety Law poster is displayed in the front office and the staffroom.
- 6.2 Further notices relating to first aid and fire safety will be displayed as appropriate.
- 6.3 Health and safety advice is available from the Operations Manager and Site Manager.
- 6.4 Supervision of young workers / trainees will be arranged / undertaken / monitored by their line manager.
- 6.5 All staff are responsible for ensuring that they have the relevant health and safety information when they working at locations under the control of other employers.

7 Competency for Tasks & Training

- 7.1 All employees will be provided with adequate information on risks to their health and safety at work, preventative and protective measures to control those risks, emergency procedures, and their general health and safety duties.
- 7.2 All employees will be given health and safety induction training when they start work, which covers these issues and health and safety basics such as first aid and evacuation procedures.
- 7.3 Induction training will be provided for all employees by The Site Manager, HODs, Communications Officer and Bursar.
- 7.4 The Schools will also ensure that all employees receive job specific health and safety training, as appropriate.
- 7.5 Job specific training will be arranged / provided by the line manager.
- 7.6 The Schools will provide further training if risks change and refresher training when skills are not frequently used.
- 7.7 Training records are kept by HR in the personnel file.
- 7.8 Training will be identified, arranged and monitored by the line manager.

8 Workplace Safety

- 8.1 The Company will ensure that the School premises are safe and in good repair and are kept free of reasonably avoidable safety hazards.
- 8.2 The Company will take all reasonable steps to ensure that the School premises are maintained in such a way (to include ensuring that all traffic routes are of suitable construction, free from defects and obstructions and are adequately lit) to reduce the risk of slips and trips to employees, pupils and other users of School premises and that it complies with its obligations under the Workplace (Health, Safety and Welfare) Regulations 1992 (SI 1992/3004).
- 8.3 The Site Manager will arrange a regular survey of the School premises and the maintenance and repair of School premises.
- 8.4 The Company will promote effective infection control by ensuring that the School premises are kept clean and tidy.
- 8.5 The School will ensure that access to high risk areas, including the laboratory is appropriately controlled and restricted.

9 Vehicle safety

- 9.1 The Company will ensure that there is adequate segregation of pedestrians and vehicular traffic on the School sites.
- 9.2 The School Secretary will ensure that all School vehicles are maintained in a safe and roadworthy condition and that there are regular and effective maintenance and repair arrangements in place.
- 9.3 The School Secretary is responsible for ensuring that School vehicles are properly taxed, licensed and insured.
- 9.4 The School Secretary will ensure that drivers of School vehicles are competent to drive the vehicle in question and are properly licensed and insured to do so and that School journeys are properly planned, supervised and risk assessed and that adequate records are maintained.

10 Safe Plant & Equipment

- 10.1 The Site Manager will be responsible for identifying all equipment / plant needing maintenance.
- 10.2 The Site Manager will be responsible for ensuring effective maintenance procedures are drawn up and implemented.

Sancton Wood School

- 10.3 Any defects or problems found with plant / equipment should be reported to Group Bursar and the plant / equipment should be immediately taken out of use until it has been made safe.
- 10.4 The Site Manager will check that new plant and equipment meets health and safety standards before it is purchased.
- 10.5 The Company will ensure that employees are provided with suitable personal protective equipment where risks to their health and safety cannot be controlled in other ways.
- 10.6 The Company will ensure that employees use personal protective equipment correctly and are provided with adequate instructions and / or training on how to use it safely.

11 Testing of Electrical Equipment, Gas Appliances etc

- 11.1 The Site Manager will ensure that all equipment and systems including mains and portable electrical equipment, gas appliances, local exhaust ventilation, pressure systems, lifting equipment and glazing, used at or by the Schools are well maintained, inspected and tested regularly by a competent and appropriately qualified person who has been authorised by the Company and that records of inspection, maintenance and testing are retained.
- 11.2 In particular, the Company will ensure that assessments are undertaken to comply with the Electricity at Work Regulations 1989 (SI 1989/635) and the Gas Safety (Installation and Use) Regulations 1988 (SI 1998/2451).

12 VDUs & Display Screen Equipment

- 12.1 The Company will take all reasonable steps to ensure the health and safety of users of VDUs and display screen equipment at in accordance with their duties under the Health and Safety (Display Screen Equipment) Regulations 1992 (SI 1992/2792).

13 Manual Handling

- 13.1 The Company seeks to avoid the need for manual handling (defined for the purpose of this Policy as the transporting of loads by hand or using bodily force) wherever possible.
- 13.2 Where manual handling cannot be avoided, the Company will seek to reduce the risks related to manual handling by providing training and guidance in manual handling techniques in accordance with the Manual Handling Operations Regulations 1992 (SI 1992/2793).

14 Safe Handling & use of Substances

- 14.1 The Company will have appropriate procedures in place to ensure that exposure to hazardous substances is minimised at the Schools. In order to do so, the Company will assess the risks from all substances hazardous to health under the Control of Substances Hazardous to Health Regulations 2002 (SI 2002/2677) (COSHH) and prevent, reduce or control exposure of staff to these hazards by the institution of proper controls and protective equipment.
- 14.2 All staff, visitors and pupils will be advised of hazardous materials to be used by them and any policies relating to their use (including emergency procedures to deal with accidents / incidents) and will be given suitable information, instruction and training in their safe use, storage and handling.
- 14.3 The Site Manager and Catering Manager, Cleaning Manager and our science staff will be responsible for identifying all substances which need a COSHH assessment.
- 14.4 The science staff will be responsible for undertaking COSHH assessments when using chemicals in lessons.
- 14.5 The Principal will be responsible for ensuring that all actions identified in the assessments are implemented.
- 14.6 The Site Manager will liaise with the science staff responsible ensuring that all relevant employees are informed about the COSHH assessments.
- 14.7 Assessments will be reviewed on a regular basis or when the work activity changes, whichever is soonest.
- 14.8 All staff will ensure that hazardous substances are locked away after use.

15 Asbestos

- 15.1 The Company recognises that all types of asbestos are dangerous and will manage the risks presented by asbestos containing materials (**ACM**) or presumed ACMs on the Schools premises by complying with the Control of Asbestos Regulations 2012 (SI 2012/632) and in particular by:
 - ensuring that the School complies with its duties in relation to licensed and non licensed work, including notifying the relevant enforcing authorities in relation to non-licensed work, where appropriate. Detailed guidance can be found in the *Asbestos essentials: advice on work on non-licensed work with asbestos* (A01) (04/12) at <http://www.hse.gov.uk/pubns/guidance/a0.pdf>;
 - preparing and keeping up to date a record of the location and condition of ACMs or presumed ACMs;
 - carrying out a written assessment of the risks presented by ACMs and presumed ACMs;

- preparing and implementing a written plan of action for managing the risks posed by ACM or presumed ACMs known as an Asbestos Management Plan;
- regular inspections, reviews and / or monitoring, as appropriate;
- ensuring that adequate records are kept in relation to non-licensed work done on ACM or presumed ACM at the School;
- ensuring that all employees may come into contact with ACM or presumed ACM are adequately trained;
- ensuring that information about the location and condition of ACMs or presumed ACMs is passed on to anyone who is likely to disturb it and to the emergency services in the event of an emergency.
- ensuring that ACM or presumed ACM is not be disturbed unless prior agreement has been given by [• position] and there are appropriate control measures in place to ensure that staff, pupils or any other users of the School premises are not exposed to asbestos;
- ensuring that only authorised staff and / or fully licensed contractors are permitted to carry out any work in the relation to ACM or presumed ACM.

15.2 If anyone disturbs or suspects that they have disturbed ACM they should:

- not disturb it further under any circumstances;
- ensure that access to the affected area is restricted and put up a warning sign stating "possible asbestos contamination";
- immediately report it to the Site Manager or Operations Manager, who will take appropriate action;
- ensure that any clothing which have been covered in dust or debris is appropriately disposed of.

16 Emergency Procedures - Fire & Evacuation

- 16.1 The Company will carry out a fire risk assessment to examine and control the likelihood of a fire starting and the consequences of a fire, pursuant to the Regulatory Reform (Fire Safety) Order 2005 (SI 2005/1541). This will include the identification of fire hazards and people at risk and implementing control measures to remove or reduce that risk. The findings will be recorded and staff and safety representatives will be informed of these.
- 16.2 The Group Bursar is responsible for ensuring the fire risk assessment is undertaken and implemented and that any recommendations made by the Fire Service are implemented.
- 16.3 Escape routes are checked by The Site Team regularly.
- 16.4 Fire extinguishers and other fire fighting equipment (such as alarms and detectors) are maintained and checked by Anglia Fire by 6 monthly checks.
- 16.5 Alarms are tested at least once per week.

Sancton Wood School

- 16.6 The Site Operations Team is responsible for maintaining records in relation to fire safety procedures to include records of staff fire safety training, fire instructions, building signage, fire drills and maintenance records and certificates.
- 16.7 In addition, the Schools will ensure that there are sufficient Fire Marshals (or deputies in their absence) on site at all times and that they are appropriately trained.
- 16.8 The Fire Marshals and deputies are:
- Richard Settle (Head)
 - Ellie Bullman (Operations Manager/Bursar)
 - Gary Lomax (Site Manager)
 - Wayne Canfer (Prep Caretaker)
 - Kylie Hodges (Prep)
 - Ed Batty (Bateman st)
 - Suzie Tall (Bateman st)
 - Sarah Honey/ Lyuda Sviderska (Prep)
 - Claire Cotton/ Louise Niclin (Bateman st)
- 16.9 In addition to the Schools' procedures regarding fire, the Company will ensure that emergency plans are prepared to cover all foreseeable major incidents which could put staff, pupils, visitors or other users of the School premises at risk and will ensure that staff and pupils are trained in what to do in an emergency evacuation. Such evacuation procedures should include any special arrangements required for employees or staff with disabilities.
- 16.10 Nothing in this policy prevents anyone from dialling 999 in an emergency.
- 16.11 All health and safety emergencies should also be reported to the Group Bursar who can be contacted on 07831624287.
- 16.12 Where an evacuation is considered necessary, the main School fire bell will be activated and the emergency routine followed.
- 16.13 The Assembly points are:
The rear of the school playground at all sites.
- 16.14 Emergency evacuation and fire drills will be tested at least once per term.

17 Accidents, First Aid & work-related ill health

- 17.1 This Policy should be read in conjunction with the Schools' First Aid policy.

- 17.2 The Company will ensure that there are adequate numbers of appropriately qualified first aiders / appointed persons on the every School site and on School arranged trips and visits at all times.
- 17.3 The School will undertake a risk assessment to determine the level of equipment, facilities and personnel necessary to enable first aid to be rendered to a casualty. The Schools' risk assessment will also identify where specialist health surveillance is needed.

18 Reporting Requirements & Record Keeping

- 18.1 The Company is legally obliged to report certain accidents, diseases, incidents, dangerous occurrences and / or near misses to the HSE under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 (SI 2013/1471) (RIDDOR). Reporting is most easily done online at www.riddor.gov.uk. Fatal and 'specified' injuries involving staff can also be reported by calling 0845 300 9923. Further guidance in relation to RIDDOR reporting can be found in Appendix 2.
- 18.2 The Group is responsible for ensuring that the School comply with their reporting and record keeping obligations.
- 18.3 The Bursar is responsible for reporting accident, diseases and dangerous occurrences to the HSE or enforcing authority.
- 18.4 If anyone at the Schools is known or suspected to be suffering from disease which is classified as a notifiable disease, and / or in the opinion of a registered medical practitioner has an infection and / or is contaminated in a manner which could present significant harm to human health (as set out in the Health Protection (Notification) Regulations 2010), the School should ensure that a report is made by the proper officer at the relevant local authority. More information can be found at www.hpa.org.uk.
- 18.5 The Principal will also consider whether the Schools are required to report the accident incident to any other regulatory body or organisation.
- 18.6 The Schools will notify local child protection agencies, as appropriate, of any serious accident or injury to, or the death of, any child whilst in their care and act on any advice given.
- 18.7 The Schools must also notify Ofsted of any serious accident, illness or injury to, or death of, any child whilst in their care, and of the action taken in respect of it. Notification must be made as soon as is reasonably practicable, but in any event within 14 days of the incident occurring.
- 18.8 Details of injuries, conditions, dangerous occurrences and occupational diseases should also be kept in an accident record book which must be kept for at least three years from the date of the last injury.

Sancton Wood School

- 18.9 Following an incident or accident the Schools will take all reasonable steps to collect and preserve relevant evidence and documentation.
- 18.10 The Company will not keep evidence and documentation containing personal information which has been collated as a result of an accident or incident for any longer than is reasonably necessary in compliance with the Schools' data protection obligations.
- 18.11 Where there is a risk of litigation, enforcement action or other proceedings, against or on behalf of the Schools, documents (which includes electronic documents) will generally be retained for at least six years unless:
- the accident or incident involved a pupil or anyone else who was under the age of 18 at the time of the incident, in which case documentation will generally be retained at least until that person's 24th birthday, or;
 - the accident or incident may have resulted in exposure to a substance which may be hazardous to health, such as asbestos, and / or there is a risk that any person may develop an occupational disease or illness or work-related medical condition, in which case records should be retained for a minimum of 40 years.

19 Monitoring and Internal Investigation

- 19.1 The Company monitors health and safety both actively and reactively.
- 19.2 The Site Operations Team RS, EB, GL are responsible for monitoring health and safety procedures, reviewing risk assessments, accident books / reports and accident investigations [regularly] reviews should include a review of health and safety related complaints and sanctions taken against employees and / or pupils for health and safety breaches.
- 19.3 The Bursar is responsible for investigating accidents, incidents and work-related causes of sickness absences, if required. Such investigations may be required to discover the root causes of an accident to prevent a recurrence, to discipline employees or pupils or to brief lawyers for the purpose of obtaining legal advice or to aid litigation.
- 19.4 Where appropriate, the Company will seek legal advice from solicitors before commencing an internal investigation.
- 19.5 The scope of an internal investigation may be restricted to fact-finding and may not make any finding of fault or allocation of blame.
- 19.6 The School will not sanction any internal investigation which may prejudice the investigations of outside agencies.
- 19.7 No admission of liability on the School's behalf shall be made without legal advice (if required) and prior agreement from the Company's insurers.
- 19.8 The Principal is responsible for acting on investigation findings to prevent a recurrence.

20 Hirers, Visitors & Contractors

- 20.1 All hirers, visitors and other users of the School premises (to include parents, contractors, delivery people and inspectors) must:
- observe the rules of the School;
 - ensure that they report to Reception where their identity will be checked, a pass issued and their host notified or alternatively have consulted with the School regarding the appropriate means of their access to and egress from the site and host arrangements. Thereafter, they should remain in the presence of their host unless express permission to the contrary has been given by the School;
 - ensure that they are familiar with the School's fire and emergency evacuation procedures. In the event of the fire alarm sounding, they should proceed to the nearest assembly point.
- 20.2 Contractors will be selected and managed in accordance with Use of contractors: a joint responsibility (Health and Safety Executive (HSE), December 2003) and, where appropriate, in accordance with the Construction (Design and Management) Regulations 2007 (SI 2007/320).
- 20.3 Contractors must also ensure safe working practices by all of their employees under the provisions of the Health and Safety at Work etc Act 1974 and must pay due regard to the safety of all persons using the School premises.
- 20.4 The Company will ensure that all contractors are fully briefed on the safety aspects of the job in question and satisfactorily supervised.

21 Security

- 21.1 The Company aims to provide a safe and secure environment for all employees, pupils and other visitors to the School premises.
- 21.2 The Company has a policy of restricting access to the School premises to members of the public in order to ensure the safety and security of employees, pupils and other visitors to the School premises and takes all reasonable measures to deter unauthorised public access to the premises.
- 21.3 The Company will take appropriate steps to ensure that there are adequate security arrangements for the School premises (which includes the School buildings and grounds) by ensuring that:
- there are sufficient security arrangements in place to protect the security of the premises and persons on it, including in the use of isolated areas (such as remote car parks);
 - security assessments are conducted and reviewed regularly;
 - all employees and pupils are trained about the existence and operation of the Schools' security arrangements and that staff training is updated as required;

- visitors to the premises are appropriately identified;
- there are adequate supervision arrangements in place;
- all security breaches or incidents are reported to The Site Manager and the Operations Manager/ or to the police or other emergency services as appropriate;
- security measures do not compromise or intrude on the reasonable privacy of employees and pupils.

22 Protection from Violence & Harassment

- 22.1 The Company will not tolerate any act of violence or harassment in which an employee or pupil or any other person on the School site is abused, threatened or assaulted, or placed in fear for their own safety.
- 22.2 In the event of an act of violence, harassment or serious security breach incident, those affected should take immediate steps to safeguard those affected and contact the Principal and / or the Police as appropriate.
- 22.3 Violence or harassment by employees will constitute gross misconduct and will be dealt with under the School's disciplinary procedure. Violence or harassment by pupils is likely to be treated as a serious disciplinary offence which may warrant suspension, required removal or expulsion.

23 Lone Workers

- 23.1 The Company understands the additional hazards to staff safety presented by lone working (defined for the purpose of this policy as employees working by themselves in situations where there is no close or direct contact with other School staff).

Work activities involving lone workers will be the subject of a separate risk assessment. The School will consider the additional hazards posed by lone working and introduce adequate control measures in response.

Authorised by	Richard Settle
Date	September 2024

Effective date of the policy	4th September 2024
Circulation	All staff

Status	This Policy is issued in accordance with the Health and Safety at Work etc Act 1974 and subsequent regulations and pursuant to the Education (Independent Schools Standards) (England) Regulations 2014.
---------------	--

Appendix 1 Specific Arrangements at the Schools

The following areas/activities present identified and significant risks at the Schools and as a consequence, pupils are not allowed unsupervised access to:

- The Catering Department: where the Catering Manager keeps risk assessments for all activities, safe use and storage of equipment and flammables, COSHH procedures of chemicals and other products. Records of staff training are kept.
- Pupils are not allowed unsupervised entry to the Cleaning and Maintenance Stores: where each department keeps risk assessments for all its activities, safe use and storage of equipment and flammables, COSHH assessments of chemicals and other products. Records of staff training are kept.
- Pupils are not allowed unsupervised entry to the sheds.

Sancton Wood School

Whole school policies and risk assessments supplement these departmentally-based risk assessments, covering:

- Accessibility Policy
- Anti-Bullying Policy
- Code of Safe Conduct for Staff - see staff handbook
- Control of access and security ET to do (lone working)
- Control of Substances Harmful to Health (COSHH) Crisis Management and Communications
- Display Screen Equipment (see Health & Safety folder in front office)
- Educational visits
- Electrical Safety
- E-Safety
- First Aid
- Fire safety, procedures and risk assessment
- Special Education Needs (SEN) and Learning Difficulties
- Sun Protection (EYFS pupils)

Risk Assessment Responsibilities

Name	Risk assessment responsibility
Principal, Bursar & Site Manager	Fire
Principal, Bursar & Site Manager	Legionella

Sancton Wood School

The Site Manager Heads of School Staff	All rooms, corridors and exits
The Site Manager	Catering and cleaning and HACCP and COSHH

The Site Team	Grounds maintenance including use of pesticides and COSHH
The Site Team	Maintenance (including work at height, electricity, power tools, COSHH)
Site Team	Asbestos and Asbestos Register
The School Secretary	Reprographics and copiers
Science staff Prep Technician	Science equipment
Head of PE	Games, dance and gymnastics
EVC group	Outdoor lessons and trips and visits

Appendix 2 Guidance on RIDDOR Reporting

The School is obliged to report certain accidents, diseases and dangerous occurrences or near misses under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (**RIDDOR**):

Accidents involving staff

The School will report:

- work-related accidents resulting in death or 'specified' injury (including as a result of physical violence) must be reported immediately (major injury examples include: any loss of consciousness caused by head injury or asphyxia; amputation)
- work-related accidents which prevent the injured person from continuing with his / her normal work for more than seven days.
- certain work-related diseases
- certain dangerous occurrences or near misses (reportable examples: bursting of closed pipes; electrical short circuit causing fire; accidental release of any substance that may cause injury to health).

Accidents involving pupils or visitors

The School will report accidents where the pupil or visitor is killed or is taken from the scene of the accident to hospital and where the accident arises out of or in connection with a "work activity".

In determining whether the accident arose out of a "work activity", the School should consider whether the accident was caused by factors, such as:

- a failure in the way a work activity was organised e.g. inadequate supervision on an educational visit
- the way in which equipment, machinery or substances were used
- the condition, design or maintenance of the School premises.

Further guidance can be found in Incident reporting in schools (accidents, diseases and dangerous occurrences): guidance for employers (EDIS1 (revision 3)), and at <http://www.hse.gov.uk/riddor/resources.htm>.

External Advisors for Health & Safety

We use external consultants to advise as required on matters of health and safety within the Schools.

- Structural Surveyors are retained to give advice on the external fabric of the school annually.
- Engineers monitor and service the school's plant, equipment, including boilers annually.

Sancton Wood School

- The Schools' adherence to health and safety in catering and cleaning is subject to external inspection by the Environmental Health Officer (EHO). In addition, the Catering Manager arranges for:
- The professional deep cleaning of all equipment, high-level cleaning of all cooking, food preparation and storage surfaces, areas etc twice a year.
- Appropriate pest control measures to be in place.
- The Schools have a professional fire risk assessment which is updated every 3 years, more frequently if significant changes are made to the interior of buildings, or new buildings are bought or added.
- In addition to the weekly fire alarm tests, the alarm system, together with all smoke detectors, emergency lighting, extinguishers are tested annually by a qualified contractor.
- The Company has a professional risk assessment for legionella, every 3 years
